❖ MANAGER & SUPERVISOR ❖

Hardworking, dedicated, and detail-oriented leadership professional specializing in the manufacturing & production industry. Accomplished leader with a strong aptitude for team development, personnel supervision, encouragement, training, coaching & feedback, and team motivation. Proven track record of consistency, reliability, and absolute deadline adherence. Well-versed in production work, machine operation, electrical assembly, and quality control. Genuine dedication to the concepts of diversity, teamwork, collaborative problem-solving, and respect in the workplace. Capable of making calm, judicious decisions while operating effectively under pressure in high-stress situations. Interested in pursuing a new supervisor role for a progressive and innovative organization—preferably in the manufacturing & production industry.
